1. CALL TO ORDER

2. PLEDGE OF ALLEGIANCE

3. ROLL CALL OF BOARD OF DIRECTORS

President Rojas____ Vice President Hernandez____ Director Argudo____
Director Barajas____ Director Escalera____

4. PUBLIC COMMENT

Anyone wishing to discuss items on the agenda or pertaining to the District may do so now. The Board may allow additional input during the meeting. A five-minute limit on remarks is requested.

5. ADOPTION OF AGENDA

Each item on the Agenda shall be deemed to include an appropriate motion, resolution or ordinance to take action on any item. Materials related to an item on this agenda submitted after distribution of the agenda packet are available for public review at the District office, located at the address listed above.

6. ACTION/DISCUSSION ITEMS

- A. Consideration to Authorize the General Manager to Purchase a 2023 Ford F-650 Diesel Regular Cab Dump Truck.

Recommendation: Authorize the General Manager to purchase a 2023 Ford F-650 Diesel Regular Cab Dump Truck for the amount of \$111,712.76.

7. ADJOURNMENT

POSTED: Friday, November 18, 2022.

President William R. Rojas, Presiding.

Any qualified person with a disability may request a disability-related accommodation as needed to participate fully in this public meeting. In order to make such a request, please contact Mr. Roy Frausto, Board Secretary, at (626) 330-2126 in sufficient time prior to the meeting to make the necessary arrangements.

Note: Agenda materials are available for public inspection at the District office or visit the District's website at www.lapuentewater.com.

STAFF REPORT

Meeting Date: November 21, 2022
To: Honorable Board of Directors
Subject: Purchase of a 2023 Ford F-650 Diesel Regular Cab Dump Truck

Purpose - *Purchase a new dump truck for use in water system operations and improve service reliability.*

Recommendation - *Authorize the General Manager to purchase a 2023 Ford F-650 Diesel Regular Cab Dump Truck for the amount of \$111,712.76.*

Fiscal Impact - *The District 2022 Capital Outlay Budget appropriates \$150,000 for the purchase of the new dump truck. The recommended purchase is within the budget appropriation.*

Background

The District currently has one dump truck, a 2007 Ford F450. The truck is an essential piece of equipment for completing water service repairs as well as mainline construction for all distribution activities. In recent years, the current dump truck has experienced significant mechanical issues and required costly repairs. It is also identified that the F450 chassis has some limitations in meeting all the necessary requirements for performing the work related to the District’s maintenance and repair of the water system.

Summary

It was identified in capital projects to replace the current dump truck in 2022. Staff evaluating the needs and potential replacement options for an adequate dump truck determined that an F650 truck and chassis would meet all the requirements to perform construction activities related to the maintenance and repair of the water distribution system. Therefore, staff solicited proposals for the specified dump truck from three sleep Enders as outlined in the table below.

Norm Reeves Ford	National Auto Fleet Group	Rush Truck Center
Cerritos, CA	Watsonville, CA	Whittier, CA
\$111,712.76	\$115,269.38	\$132,837.19

Norm Reeves Ford of Cerritos provided the lowest responsible proposal. In addition to the lowest proposal, they currently have the vehicle in stock and would be able to provide immediate delivery.

In addition to the truck’s purchase price, staff will be equipping the truck with a light bar and radio

communication equipment, estimated to cost \$5,0000. The total cost of the new truck, including the light bar and radio equipment, is estimated to be \$116,712.76. This cost is within the District's Budget appropriation for this Capital Outlay item.

Fiscal Impact

The District 2022 Capital Outlay Budget appropriates \$150,000 for the purchase of the new dump truck The cost of the new 2023 Ford F-650 Diesel Regular Cab Dump Truck is within the budget appropriation for the District 2022 Capital Outlay Budget.

Recommendation

Staff recommends that the Board authorize the General Manager to purchase the 2023 Ford F-650 Diesel Regular Cab Dump Truck for the amount of \$111,712.76.

Respectfully Submitted,

Paul Zampiello
Operations & Maintenance Superintendent
